

# Help shape the 2025 NYS Organics Summit!

## Call for Abstracts

Do you have ideas for individual presentation topics, full sessions, or speakers for the 2025 NYS Organics Summit? If so, the event planning committee wants to hear from you! Read on to learn more about the summit and how to submit your ideas for consideration.

**ABOUT THE EVENT:** The annual NYS Organics Summit brings together more than 200 industry professionals from across the state for two and a half days of informational programming, networking, workshops, tours, and more, with the goal of advancing sustainable organics management throughout NYS. ([CLICK HERE](#) to view the 2024 summit agenda.)

**VENUE & DATE:** The 2025 NYS Organics Summit will be held at the Hilton Garden Inn in Troy, NY from April 8-10. The first two days will feature full days of conference sessions and the third day will offer tours of local sustainable organics management facilities TBA.
